CHRISTIAN DISCIPLES IN MISSION

A MESSAGE FROM THE PASTOR

Dear Friends,

Greetings in the Lord Jesus Christ! As you see when you enter our sacred space, the baptismal font is the first thing you encounter. What a fine reminder to us all that baptism is the first sacrament of initiation into the Christian Community, and that by our baptism we are called to participate fully in the life and mission of the Church.

Our participation in the Church as lived at St. Patrick Catholic Community begins with the gathering at the Liturgy. Our sacramental celebrations draw us together in prayer and call us to become the transformative presence that the world desires and, indeed, needs. Nourished by Word and Eucharist, we offer ourselves as a community of hospitality, we discern the ways in which we live the value of stewardship, and we take on the task of becoming the visible presence of Christ. Thus we take on ministries of hospitality and faith formation, presence and healing, care for those in difficulties whether spiritual or material, action and advocacy, outreach and assistance, counseling and support, solidarity and service, all the while demonstrating our care for the dignity of the human person from conception to natural death. We serve, knowing that the Christian life is not one of spectatorship, rather it is one that consistently invites our participation and commitment.

This booklet offers information on the many ways in which the gifts—that is, the passions, skills and experience—of St. Patrick parishioners are shared with the community. May it serve as a guide and inspiration for you as you discern the ways in which you participate in the ministry to which your baptism has invited you.

Peace in Christ,

Fr. Eric Tellez
Pastor

SAFE ENVIRONMENT TRAINING

THE ROMAN CATHOLIC DIOCESE OF PHOENIX

SAFE ENVIRONMENT TRAINING

In serving the community, there comes an important responsibility to train ministers in being advocates and protectors of those we serve. In important work such as this, good intentions are never enough. It is vital that every minister be trained and aware how to make sure the safety and protection of ALL is central to our service. Attending and/or completing training in maintaining a safe environment is to give the average parishioner the basic knowledge of what is good behavior, what is expected behavior and to have good information on what to do if one ever encounters a serious situation. To be silent or think it is someone else's job is where the Church failed in the past."

~ Fr. Eric

All ministers/volunteers that serve at St. Patrick (or in the name of St. Patrick at off campus locations) must attend the in-person Live Foundation Training.

For those serving minors or vulnerable adults, this initial training class must be completed **prior** to service. All other new minister/volunteers should have their training completed within one month of beginning their service in a ministry. Online, yearly **Renewal Training** is required for all subsequent years.

To register for a Live Foundation Training: visit **www.phoenix.cmgconnect.org** and click on the 'Sign In' button at the top right corner of the page to log on and create an account (step-by-step instructions can be found on our parish website, stpatcc.org/ set). Please note that you will need to complete the Background Check portion **after** attending the live training.

If you have any questions or need help,
please contact Gerri Porteous at 480-998-3843 x-106
or email at gporteous@stpatcc.org.

CHRISTIAN FORMATION/ELEMENTARY

ELEMENTARY FORMATION

For children 4 years old through grade 5, St. Patrick offers a Family Faith Formation Program deeply rooted in Scripture and the Catechism of the Catholic Church and based on the conviction that parents and the parish raise the children in the faith together, in a partnership. Parents take on the responsibility of teaching their children their prayers and bringing them to Eucharist every Sunday, serving as a model for children. Contact Kylie Popa at (480)998-3843 x223 or Carol LoPorto at x211 or cloporto@stpatcc.org.

- **Catechesis of the Good Shepherd (Atrium)** is an excellent approach to children's faith formation based on the principles of Maria Montessori, for children aged 4 through grade 3. SACRAMENT PREPARATION

Sacrament Preparation begins early in the fall each year. As a child approaches readiness to celebrate a sacrament, parents take the initiative to participate in the process of preparation. The ongoing support and example of parents—supported by the parish programs—along with the witness, support and prayers of the parish community are all needed to prepare children for a life as members of the Church. Preparing for a sacrament is understood as a faith journey that begins a considerable time before the celebration of the sacrament and continues well beyond the day of the event. The Diocese of Phoenix encourages its parishes to begin preparation for First Confession (Penance, Reconciliation) with children in grade 2 and for Confirmation and First Eucharist in grade 3. SACRAMENTAL MINISTRIES/MARRIAGE

MARRIAGE PREPARATION

The vocation to marriage is written in the very nature of man and woman as they came from the hand of the Creator. Marriage is not a purely human institution despite the many variations it may have undergone through the centuries in different cultures, social structures and spiritual attitudes. (CCC, no. 1603) The marriage covenant, by which a man and a woman form with each other an intimate communion of life and love, has been founded and endowed with its own special laws by the Creator. By its very nature it is ordered to the good of the couple, as well as to the generation and education of children. Christ the Lord raised marriage between the baptized to the dignity of a sacrament (CCC, no. 1660).

- **Marriage Preparation** Engaged couples enter into the marriage preparation process as outlined in our “Marriage Preparation Guide” which can be found in the Narthex of our Church. This process includes the FOCCUS instrument, meeting with a Mentor Couple, taking the Couple Communication Program, and an individual session with the counselor on Family of Origin. The Marriage Preparation Ministry helps in as many ways as possible to provide support for a successful marriage relationship. A couple needs to contact the priest to set their date at least nine months before they desire to celebrate this sacrament. Contact Father Eric Tellez at the Parish Office, (480) 998-3843 to set your wedding date.
- **Marriage Preparation Mentor Couples** This ministry is supported by Mentor Couples who, serving as a connection to the Church Community, meet with and prepare couples for marriage, including facilitating the FOCCUS Instrument. Contact Gerry Blakeman at (480)998-3843 x103 or gblakeman@stpatcc.org.
- **Wedding Coordinators** Wedding coordinators set rehearsal times, direct rehearsals, set up the day of the wedding, assist during the wedding and answer any questions from the bride and groom you may have. Contact Yolanda Alemany at (602) 740-0805 or weddingcoordinators@stpatcc.org.

CHILDCARE MINISTRY

- **Kid's Corner Ministry:** St. Patrick Catholic Community nursery provides a safe and supervised childcare environment during Saturday and Sunday Masses to allow parents to worship more attentively. Pagers are provided for contact if a parent needs to return to the nursery for any reason. Age-appropriate activities are planned to be fun and are faith-based. At weekend Masses, the nursery is open to little ones age 1 (and walking) to age 4 (ages 4 and older attend Children's Liturgy of the Word). Parents of children in the nursery commit to serve in some capacity at least once a month. Adults and teens are welcome to serve at all Masses. In addition, St. Patrick Catholic Community desires to offer childcare as necessary to assist parents attending ministries or programs at the parish. Childcare Ministers may serve as caring supervisors, mentors, storytellers, musicians or tutors for children during this time. Adults and qualified teens are welcome to serve, either daytime or evening as needed. Flexible schedule. Love for children and personal commitment a must! Events vary throughout the year, and those in this ministry will be contacted as needs arise. Contact Laura Whitney at (480) 998-3843, x 205 or lwhitney@stpatcc.org.

SOCIAL JUSTICE AND OUTREACH

Perhaps the most constant task facing people in ministry is to nurture an inner sense of solidarity or concern, which is the link between awareness and action. The more clearly the call to peace and justice is experienced as a call from Jesus, the more likely a person is to respond. Personal encounters with people are a positive motivator!
