First Down with Fr. Eric

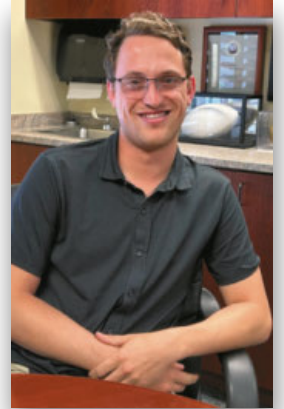

Dear Friends,

Every year at this time there are men who have been accepted into the seminary to begin their studies and discernment about the priesthood. In August, 1979 I entered the college seminary in Santa Fe, New Mexico. That is where my journey began, and I hold many good memories of my formation there.

Our thoughts now can turn to one of our parishioners who will be entering the seminary for the Diocese of Phoenix.

Christopher Schneider has been coming to St. Patrick for over a year and has been discerning about entering the seminary. He was accepted and on August 15 he will go to the Nazareth House in Phoenix. It is a place where the seminarians live and go to school at Arizona State University. Christopher is 25 years old and grew up in Memphis, Tennessee, and is a graduate of the University of Memphis.

Our parish will be supporting him and I am inviting parishioners to support him through writing or offering any support you wish. His address is: Nazareth House, 3437 North 18th Ave. Phoenix, Arizona 85015. We keep Christopher in our prayers.

Peace in Christ,

Fr. Eric

Starting August 20, in addition to our regular Mass times, new evening Masses have been added.
Tuesday and Thursday evenings 5:30 pm.

Christian Disciples in Mission Living Beyond Sunday

BY ERIC TAMAYO,
Pastoral Associate

NAMI: Recognizing the Dignity of Every Person

Have you heard the joke, if you ever want to make God laugh just tell him your plans? I always remember that joke when my life plans don't go the way I expect. Life is full of unexpected surprises, challenges, and unexpected suffering. In these moments we need to be reminded we are not alone and there is nothing that can separate us from the love of God. There are many who struggle silently with mental health issues, in fact one in five adults suffer from some mental illness. As disciples of Christ we are called by Jesus to recognize those who are suffering in our midst and to accompany them on their journey. St. Pope John Paul II once said, "Whoever suffers from mental illness 'always' bears God's image and likeness in himself, as does every human being. In addition, he 'always' has the inalienable right not only to be considered as an image of God and therefore as a person, but also to be treated as such." This message speaks to a core value we have here at St. Patrick, to treat everyone fairly with dignity and respect.

In our society, those with mental illness are often stigmatized, ostracized and alone. The suffering endured by mentally ill persons is a difficult cross to bear, as is the sense of powerlessness felt by their families and loved ones. To reduce the negative stigma and help those in need, St. Patrick is proud to partner with great organizations such as the National Alliance on Mental Illness (NAMI) to support

those struggling with mental illness. At St. Patrick, NAMI offers a free, confidential and safe place, open to any family members, partners and friends of individuals with a mental illness to support each other. You do not need to suffer in silence. If you would like to be a part of NAMI Family Support Group you can contact I.boman@namivalleyofthesun.org.

With the group expanding, NAMI is also currently looking for volunteers to help lead family support groups here at St. Patrick. Training is provided, all that is required is a lived experience supporting a loved one with a mental condition. Please consider giving your time to support such an important group and learn how to accompany those in need. If you would like to receive training and lead a support group you can contact Kathleen Trilk at ktrilk@stpatcc.org for more information.

Together we can envision and work towards a world where all people affected by mental illness live healthy, fulfilling lives supported by a community that cares. Consider how Christ might be calling you to recognize and accompany others on their journey.
