First Down with Fr. Eric

Dear Friends,

During the holiday season, people are searching for ways to care for their neighbors. All types of groups like to gather families together to do assembly service projects; putting packages, boxes, or bags together to go toward those in need. At St. Patrick, we are inviting everyone to consider gathering to help assemble 4,000 bags of compassion to be used by parishioners and all who will be attending our Christmas Masses.

On Monday, December 9 at 6:30 pm in the church, we will gather for an Advent presentation welcoming Rev. Rock Fremont. He will be speaking about ways we encounter Christ in those who are sometimes invisible to people. I have known Rock for many years and have served with him on committees that serve those in need. After his presentation, we will have an assembly line to put the bags of compassion together. Thanks to the many parishioners who donated supplies, we will have plenty to give out. We will also provide information on how to approach people safely, and what are practical ways to help people. The bags will be blessed at our Christmas Masses and handed out after all Masses. This project goes well with our theme, **I WILL LOOK TWICE UNTIL I SEE CHRIST IN YOU**. I hope parishioners take this opportunity for a special evening to directly help those most in need of love and support.

December 9 is recognized as a Holy Day and there will be two Masses on that day at 8:00 am and 12 noon only. There will be no evening Mass as we will gather for this important Advent presentation.

Peace in Christ,

Fr. Eric

Christian Disciples in Mission Living Beyond Sunday

BY ERIC TAMAYO,
Pastoral Associate

Advent: Prepare the way of the Lord

The season of Advent presents us with a unique opportunity to prepare ourselves for the coming of Christ. Indeed this is the central message of John the Baptist this week as he challenges us to "prepare the way of the Lord." But what exactly does that mean and how are we to prepare? We can prepare ourselves by first reflecting upon our own lives, our relationship with God, and our relationship with others. Our theme this year embodies a large part of what Advent is all about. It is about being able to recognize God in all aspects of our lives including the stranger on the street and the vulnerable. We all need the reminder in life to "look twice until I see Christ." Being able to see Christ in others is how we can develop a greater sense of compassion.

Compassion is a central theme of the Advent season and the reason why we chose to create Bags of Compassion for our Advent Mission this year. The word "compassion" literally means to suffer with one another. Compassion is the ability to put ourselves in another person's shoes and share in what they may be experiencing. Christ is the perfect example of what true compassion looks like. Jesus doesn't just stand by the sidelines observing, rather he enters into the suffering of the people he encounters. In the Gospel we hear of Christ's immense compassion for human suffering, "At

the sight of the crowds, his heart was moved with pity for them because they were troubled and abandoned, like sheep without a shepherd." Compassion leads us into a deeper understanding of our brothers and sisters who are struggling and moves us to act with love and kindness.

During Advent, we are challenged to look for small ways to inspire hope through the way we show compassion to others. This is a season of preparation, the question is how are you preparing for the coming of Christ? If you don't know the answer or are looking for ways to embrace the spirit of compassion we invite you to join us on December 9 for our Advent Mission as we look to assemble bags containing useful items for those who are experiencing homelessness. As a community of faith, we can all make a difference and inspire hope by showing a little more compassion to one another. Compassion is the first step in bringing about healing in our neighborhoods, in our communities, and in our country.

Serving

Through this advent season, we are invited to reflect on the many blessings in our lives and share them through joyful service in our homes, parish, and community. Whether it's offering kindness and support to family members, ministering at Mass, or reaching out to those in need in the wider community, every act of love and generosity reflects the true spirit of the season. Let us embrace this time as an opportunity to bring Christ's light to others, making our service not a duty, but a celebration of God's love in action. Together, we can make this season one of hope, joy, and meaningful connection.

Please join us
on December 9, at 6:30 pm
 for our Advent Mission:
Bags of Compassion Assembly Day.
 We will be joined by
Rev. Rock Fremont
 who will be speaking on the spirit of
 giving and compassion.

As a community, we will then help assemble bags with useful items for those experiencing homelessness. These bags will be blessed and distributed to the community on Christmas day to bring to those in need. Please invite your family and friends to be a part of bringing a little more compassion into the world.

Social Justice

During the weekend Masses in Advent, we will be collecting socks for our **Annual Sock Drive**. Bins will be placed at the altar where our parishioners and visitors can deposit their gift of socks which will go to nonprofit and faith organizations in our community who help those in need.

If you choose to donate socks for this charitable drive, we kindly ask that you please purchase new/unused socks. Remaining weekend Masses where socks will be collected are December 14/15, and 21/22.

Our **Charity** aspect of social justice recognizes that our faith calls all of us to recognize the Community & Common Good and to serve those who do not have the very basic and immediate needs for their everyday life. We are asked to give generously from our abundance.

The **Justice** component of our faith realizes that socks are an afterthought for most people and that this piece of clothing does not seem too significant. However, for those who are unsheltered, socks are a much needed article. Socks wear out very quickly when living on the street. Socks provide warmth, comfort, and play a role in a person's everyday hygiene by helping avoid blisters and bacteria. With this, we recognize the Dignity of the Person.

Organizations we will be assisting this year are André House, Paz de Cristo, Justa Center, and CASS (Central Arizona Shelter Services).

"None of us can think we are exempt from concern for the poor and for social justice."

~ Pope Francis
