First Down with Fr. Eric

Dear Friends,

Our parish community is able to participate in the mission of Jesus Christ through the many parishioners who understand their baptismal call to serve. Service can involve serving the parish community at liturgy, formation, hospitality, outreach, and giving. Service not only happens within the parish, but it also extends to the community at large. It means we serve all people whether they are Catholic or not.

Our Parish Leadership desires to gather all ministers to celebrate and honor the many ways people serve the Lord and his people. This year with Easter falling later than usual, we will be having our Ministry Appreciation Celebration on Super Bowl Weekend. In the past, we celebrated this occasion in May, but we would miss celebrating with many of our ministers. On Saturday evening, February 8, we are inviting parishioners who have served the parish or in the greater community to gather for Mass at 4:30 pm and then join us for dinner and entertainment in the patio area in front of the House of Mercy. It is a Super Bowl-themed party.

Again, whether you have served the parish and/or the greater community you are invited to attend. Meet more parishioners, eat good food, and your friends are invited as well. We ask you to RSVP by calling the Parish Office and letting us know how many in your party will be attending. We will continue to give you more information before February 8. Mark your calendars!

A reminder that our last Mass on Super Bowl Sunday will be 12:30 pm. There will be no 5:00 pm Mass that Sunday. Attendance is so much better on that day at 12:30 pm and we have done this for more than 25 years so it is no surprise.

Hope many parishioners come and celebrate with us.

Peace in Christ,

Fr. Eric

Christian Disciples in Mission Living Beyond Sunday

BY ERIC TAMAYO,
Pastoral Associate

Grief Support Ministry

The unexpected death of a loved one can be one of the most difficult and challenging times in life. Everyone deals with grief in a variety of different ways and although the first year is often the hardest, the grieving process often lasts years. Losing someone close to you, whether a spouse, sibling, parent or child, can bring up feelings of isolation, confusion, sadness and disconnection from others. Experiencing the death of a loved one can feel overwhelming and you may even feel like no one understands or knows what you are going through. With the help of grief support you can see that you are not alone. At St. Patrick, our Grief Support Group is an ongoing, Christ-centered faith sharing group for those who need consolation and support after losing a loved one. Ministries like grief support can offer individuals a renewed sense of hope while journeying through the grieving process. Grief support provides a framework for understanding grief, validates feelings and experiences, provides a sense of hope, and connects individuals with helpful resources. After the death of a loved one many can feel lost or simply just overwhelmed with emotions. Ministries like grief support offer an outlet to both process emotions and strengthen your spiritual life.

In scripture St. Paul reminds us, because we are Christians we do not grieve like the rest of the world. As Christians we have a reason to hope because we know that death is not the end. We have hope even in the face of death, because Jesus has already won the victory over sin and death itself. We all face unexpected loss in life, how we handle that loss is up to us. As Christ reminds us

and as our faith shows us, we are not alone, we are united as a community of faith as part of the Body of Christ.

If you have recently experienced the loss of a loved one, or are still struggling with the loss of a loved one I would encourage you to pray about being a part of the grief support ministry. Groups currently meet on Mondays and Tuesdays and are open to anyone who has experienced loss. Currently we have a need for facilitators to help guide one of the support groups. You do not need any prior experience to help facilitate, you simply need a caring heart for those who are grieving. Although it may seem intimidating, ministers will be provided all the training necessary to help facilitate the support group. I invite you to pray about being a part of this important ministry if that is where God is pulling your heart. For more information on how to join either as a member or to become a facilitator you can contact Kathleen Trilk at ktrilk@stpatcc.org for more information.

Serving

It is always amazing to see the generous serving that happens during the Christmas season. As Catholics, we are called to live out Christ's example of generosity and love not only during the holiday season but throughout the entire year. The spirit of giving is rooted in our faith, reflecting God's boundless love and the ultimate gift of His Son. By practicing consistent acts of charity, we embody the teachings of Jesus, who reminds us that whatever we do for the least of our brothers and sisters, we do for Him (Matthew 25:40). Whether through volunteering, supporting those in need, or simply offering kindness and encouragement, keeping the spirit of holiday giving alive year-round allows us to serve as instruments of God's grace in the world, fostering a culture of compassion, gratitude, and solidarity within our communities. Are you interested in serving in 2025? Are you open to experiencing God's grace in a new way?

Call Sharon Fabyanic in the parish office for assistance in finding a ministry where you can share your gifts and talents in this new year.

Online Giving Transition

St. Patrick has partnered with a new online giving platform called Simple. This new platform is simple to use, secure, fully integrated with our member database and will also be saving us administrative costs.

This new giving platform will allow you to:

- Enter either you bank ACH or credit/debit card information
- Make edits if any information changes in the future
- Have the option to cover processing fees if you desire. If you choose to cover the fees, your total amount donated is considered a charitable contribution

Know that we do not store any bank or credit card information on our servers at St Patrick. Your payment information is encrypted and protected at every step in the process.

If you are a current recurring giver in WeShare or give by ACH through St Patrick, you will be receiving an email this week with instructions on how to transition your account into the new platform.

Thank you for your faithful stewardship and for partnering with us in all God is doing through St.Patrick! If you have questions regarding the transition, please reach out to Sue Orlando at sorlando@stpatcc.org or 480-998-3843 x-119.

Social Justice

This year our baby bottle drive will go to supporting the Aid to Women Center. Aid to Women AZ is a non-profit organization that provides support and resources to women facing unplanned pregnancies. They offer a range of services, including counseling, education, material assistance, and referrals, aiming to empower women to make informed decisions and to provide emotional and practical support during pregnancy and beyond. The Aid to Women Center is committed to providing compassionate care no matter the circumstances. Their goal is to educate, support, and encourage women and families through pregnancy. They understand that an unplanned pregnancy can be intimidating, but it is a journey that no one should have to travel alone. By donating to this amazing organization through the baby bottle drive you can be a part of making sure expecting mothers receive the care they need.

BABY HEALTH

Tips from the American Academy of Pediatrics to reduce the risk of SIDS-sleep-related infant death.

- The baby should sleep on a firm, flat non-inclined surface.
- Sitting devices, such as car seats, strollers, swings, infant carriers, and infant slings, are not recommended for routine sleep for infants younger than four months.
- Breastfeeding reduces the risk of sleep-related infant deaths, and while any human milk feeding is more protective than none, two months of feeding at least partial human milk has demonstrated to significantly lower the risk of sleep-related deaths.
- Parents may sleep in the same room – but not in the same bed as a baby.
- Avoid parent and infant exposure to nicotine, alcohol, marijuana, opioids, and illicit drugs.
- Make sure the baby receives routine immunizations.
- Pacifier use is associated with reducing risk.
- Avoid the use of commercial devices that claim to reduce the risk of SIDS or other sleep-related deaths. There is no evidence that any of these devices reduce the risk of these deaths.
- Supervised, awake tummy time is recommended to facilitate infant development. Parents are encouraged to place the infant in tummy time while awake and supervised for short periods of time beginning soon after hospital discharge, increasing incrementally to at least 15 to 30 minutes total daily by 7 weeks of age.

Family Faith Formation is our at home catechetical program, where we support parents with enriching materials to bring faith alive in the home. Questions? Please contact Diane Kar (dkar@stpatcc.org 480-998-3843 ext. 209).

Catechesis of the Good Shepherd (CGS) is our weekly formation program for children age 4 through 3rd grade, incorporating Montessori principles to help children hear and respond to the loving call of Jesus, the Good Shepherd, who has loved them first and calls them by name. Classes meet after school and early evening for an hour and a half, once a week, September through April. Contact: Renee Genetti at rgenetti@stpatcc.org, 480-998-3843 ext. 223.

CLOW will start back up on January 26 at 8:30 and 10:30 am Masses for children in grades Pre-K-4th. Children's Liturgy of the Word (CLOW) is looking for caring adults who can help facilitate the program during Sunday Mass times. No prior knowledge is needed and training is provided. Please contact Yasmine Rodriguez (yrodriguez@stpatcc.org) at the parish office if you would like to find out more about CLOW.

Young Disciples will start back up on January 26 at 8:30 and 10:30 am Masses. Young Disciples is a program for potty-trained preschool aged youth, 3-5 years old to encounter the gospel through story, puppets, drama and song. Contact: Yasmine Rodriguez at yrodriguez@stpatcc.org.
