First Down with Fr. Eric

Dear Friends,

This past Thursday, July 4th, our country celebrated Independence Day. One can celebrate the birth of our nation and the freedom we have been given as a people of this country.

I reflect on my own life and I can count all the times I made decisions based on my freedom to do the things I want to do. Go to a school of my choosing, to decide how involved I want to be or not be involved—the freedom to vote and choose where to live. Not everyone in the world has, or is given, this freedom of choosing and deciding.

Most of us who have lived long enough know that freedom is not without a cost and responsibility. To have an understanding of freedom based on the belief that no one can tell us what to do can lead us to be blind to the consequences of decisions and is a misunderstanding of what true freedom is. Even scriptures through St. Paul's letters remind us that freedom means to be set free from those things that do not allow us to love, serve, and care for others and to serve God. The election cycle has been with us and will be here until November and will be here even beyond election day. Freedom, the gift that has been offered to us, has been purchased by the blood of Christ and the blood of those who have served the real ideals of our country. We work and commit to freedom not just once every two or four years, rather we are to live it and work for it every day.

I am grateful for the freedoms I have experienced throughout my life, and I am also grateful for those events that called me to sacrifice for others and for a greater cause. The freedom to sacrifice and serve others is the freedom that God wants us to understand and live.

Blessings to all who work for freedom for all people.

Peace in Christ,

Fr. Eric

Christian Disciples in Mission Living Beyond Sunday

BY ERIC TAMAYO,
Pastoral Associate

Justice from the Ground Up

If you ever watch the news, you know we live in a world full of inequality, suffering, and injustice. However, as difficult as it may be to watch the news as Catholics we also have a responsibility to walk in the footsteps of Christ by making choices that are both charitable and just. In a nutshell, Social Justice concerns the social, political, and economic aspects and, above all, the structural dimension of problems and their respective solutions. Social justice addresses the root causes of problems facing our communities by advocating for just public policies and helping to change the social structures that contribute to suffering and injustice at home and around the world.

Pope Francis warns, "When power, luxury and money become idols, they take priority over the need for a fair distribution of wealth. Our consciences thus need to be converted to justice, equality, simplicity and sharing." He continues saying, "It is a well-known fact that current levels of production are sufficient, yet millions of people are still suffering and dying of starvation. This, dear friends, is truly scandalous. A way has to be found to enable everyone to benefit from the fruits of the earth, and not simply to close the gap between the affluent and those who must be satisfied with the crumbs falling from the table, but above all to satisfy the demands of justice, fairness and respect for every human being."

As you may know Social Justice is one of the pillars of this community. As a community of

faith, dedicating both energy and resources, we are committed to bringing about justice by creating meaningful relationships with those we serve. One way this parish helps support and promote justice is through the Just Coffee Ministry. Just Coffee is a fair trade ministry that serves to expand our worship of God and Catholic values by using our economic power in a mindful and compassionate manner that respects the dignity of the human person and God's creation. Just Coffee is dedicated to a model of commerce based on transparency, respect for labor, and environmental sustainability.

First of all, we would like to thank all the ministers who made this ministry possible at St. Patrick for so long. Thank you to everyone who also supported this ministry and fair trade by purchasing coffee. Your support makes a difference and is valued. Unfortunately, with the lack of ministers and interest for this ministry; it will be on pause for the time being. But if you are interested in supporting Just Coffee again, want to get more involved in promoting fair trade, or simply looking to make a difference in promoting justice and human dignity, please contact the parish office or send an email to **rdicarlo@stpatcc.org**. Justice begins with us, from the ground up.

Funny & FACT

"What kind of flowers did St. Joseph plant for Jesus?"

"Sunflowers!"

Jesus's earthly father was a good man named Joseph. Joseph was a tradesman who loved Jesus very much and took care of Him and raised Him as his own.

Social Justice

**Our Annual
Back to School Drive
will run from
July 13 - July 28, 2024**

During our Parish Back to School Supply Drive from July 13-28, please take this time to pray for these children who are experiencing the loss of a parent in the form of Incarceration. Remember them, their parents, and caregivers in your daily prayers.

Many of you who participated in the Get on the Bus event here on Mother's Day weekend saw firsthand the challenges a child is faced with when a parent is in prison. It also places extra emotional stress and financial challenges on the remaining caregiver at home.

A child faces a certain amount of trauma and confusion when a parent is incarcerated. There is also the embarrassing stigma at school they may face from their peers. Because of this, they may begin to feel a deeper sense of isolation. It is not uncommon for an incarcerated parent to be housed hundreds of miles away and the child has no control whether anyone will take them to see their parent.

Besides collecting the new school supplies during this event for St. Matthew and Roadrunner Elementary Schools, we also collect Walmart or Target gift cards specifically for these Children of the Incarcerated.

These children and their families are then visited by the director from the Diocese of Phoenix Prison Ministry who shares our gifts and prayers with them from our parish community which helps them kick off the school year in a good direction. Please see the flyer on Page 10 for additional information.

It is the hope that we all can assist children and families in need to encounter the living Christ in their day to day school activities, social life and the familial experiences that create their individual realities.

**Thank you for your generosity to this
Annual Drive.**

ROCK45 is off for the summer and will resume in the Fall. In the meantime, we'll share some fun, creative ways to nurture your tweens' faith this summer. Enjoy!

One of our families' favorite things to do on vacation is attend Mass in the area. Over the years we have been able to see some amazing churches, experience music like never before, and share in the culture of an area to its fullest.

At Holy Rosary in Paia, Maui we were greeted with shell lei's and invited to bring up the gifts. The music at Our Lady of Divine Providence in Providenciales, Turks and Caicos included steel drums that filled the church with amazing sound. In Beaver Creek, Colorado the Interfaith Chapel hosts a Catholic Mass on the weekends and the view of the surrounding area is just breathtaking.

When on vacation this summer, don't take "a vacation" from Sunday Mass, instead, go exploring the Catholic church in the area and take the family on an adventure! You never know what God has in store.
